

# Worship with us at Church of the Messiah!

*Give Praise!*

We are a friendly, independent and inter-denominational congregation that offers worship and study on **Saturday mornings at 10:30 am** with an Adult Torah (Bible) study at 9:00 am.

Coming together in the glory of our Messiah from diverse church backgrounds, no two services are quite alike. We celebrate with a variety of worship and musical styles including a rich mix of contemporary, traditional, liturgical, and Hebraic.

Our Worship Team includes a variety of musicians and singers joining together with dance and banners to assist the congregation in corporate worship.

**Our focus is to give God all the glory!**

In order to walk faithfully with Him, Church of the Messiah appropriates and celebrates our rich Hebraic heritage through the study, teaching, and application of God's entire Word, in order to understand the words and deeds of Messiah Jesus in their historical Jewish context.

**Our Mission:** to embody the call of Christ on His church, equip God's people to worship and glorify Him, to serve Him through acts of ministry, fellowship with one another and to reach the lost.

**Our Vision:** to advance God's kingdom so that the Body of Christ may be built up in unity and maturity, into the full measure of Christ himself.
